

GRETA MONGE

ASSOCIATE

PROFILE

Greta Monge specializes in labor with emphasis on consulting, administrative procedures, judicial proceedings, and occupational health and safety.

She counsels on work termination procedures, labor employment regulatory compliance, as well as administrative procedures before SUNAFIL, ESSALUD and SUSALUD, etc.

She also advises on occupational health and safety to companies in different sectors; evaluation and implementation of the Occupational Health and Safety Management System. She has extensive knowledge of the legal basis on the occupational health and safety standards required for each sector and the administrative infringements on the matter.

Greta has been a professor and speaker in various specialization courses on labor and occupational health and safety issues at ESAN and other institutions.
