

JORGE TRELLES

PARTNER

PROFILE

Jorge Trelles specializes in project finance, corporate finance, mergers & acquisitions, capital markets and restructuring and insolvency.

He counsels on project finance transactions in energy, infrastructure, mining, corporate finances, as well as structuring and negotiating local and international mergers & acquisitions.

Jorge has extensive experience advising buyers, sellers, targets, financial advisors, financiers and others on mergers & acquisitions.

He has represented financial institutions and sponsors in the development and financing of projects and concessions in the energy, infrastructure, telecommunications and mining industries, among others.

He is considered a leading lawyer in Peru by international publications such as Chambers & Partners.

He was also an international lawyer at Allen & Overy in New York, participating in transactions in several Latin American countries.
