Espacio y de la Aviación
Comercial

Languages

Spanish
English

He focuses his practice in civil and business law and has an outstanding career in insurance and reinsurance law, as well as in aviation and transportation law.

He represents the interests of reinsurers and international brokers, and insurers and insurance adjusters. In aviation matters, he participates particularly in the financing operations, facilitation of aircraft, and insurance and reinsurance coverage claims.

Jorge counsels clients on stakeholders meetings and is a member of the board in important local companies.
