

NATALIA ZÚÑIGA

ASSOCIATE

PROFILE

Natalia Zúñiga specializes in environmental and regulatory law, providing legal support in various project financings and in mergers & acquisitions.

She provides legal advice services to national and international companies, banks and other entities on environmental and social issues, especially regarding mining, electrical, agricultural and industrial projects.

Natalia has extensive experience in defending various companies in administrative sanction proceedings against State entities, as well as in participating in multidisciplinary teams creating strategies to mitigate and control environmental risks for relevant projects in Peru.
