- Click [here](#) for more information.
- The project is expected to be awarded in the second trimester of 2024.

BIDDING PROJECTS IN PRODUCTION

ANCON INDUSTRIAL PARK

INVESTMENT AMOUNT: US\$753.01MM

The project consists of the development of an Industrial Park which has 3 phases over a period of approximately 16 years. The Ancon Industrial Park will be a modern space for industrial companies of different scales, which will operate under international standards, and will become the new industrial development pole in the northern area of Lima, and a benchmark for innovation, modernity, technology, sustainability, entrepreneurship, and development. The project, located in the north of Lima, is an opportunity to provide infrastructure and services to industrial and logistics companies in the area.

- Click [here](#) for more information.
- The bidding process has not yet been called.

OPERATION AND MAINTENANCE OF THE LIMA CONVENTION CENTER

INVESTMENT AMOUNT: US\$1MM

Operation, exploitation, conservation and integral maintenance of the Lima Convention Center.

- Click [here](#) for more information.
- Award date to be defined.

COMPREHENSIVE HOUSING PROGRAM OF SANTA MARÍA

INVESTMENT AMOUNT: US\$25.56MM

The Project includes the execution of 1,101 housing units under the MIVIVIENDA program. It will be developed on State-owned land located at KM.42 of the Panamericana Norte, between Ancon and Santa Rosa, on an area of 108,278.22 m².

- Click [here](#) for more information.
- Award date to be defined. If there are no other bidders, a direct award will occur.

2

MATURE PROJECTS

MATURE SANITATION PROJECTS

WASTEWATER TREATMENT FOR CAJAMARCA

INVESTMENT AMOUNT: US\$55.6MM

The project, a private initiative, includes the design, financing, construction, operation, and maintenance of sanitary infrastructure. The project includes the construction of a wastewater treatment plant.

- Click [here](#) for more information.
- The project is expected to be awarded in the second semester of 2024.

WASTEWATER TREATMENT PLANT IN TAMBO, CHILCA, HUANCÁN, HUAYCACHI, HUACRAPUQUIO AND VIQUES

INVESTMENT AMOUNT: US\$172MM

The project, a private initiative, consists of changing the layout of six collectors, building four wastewater pumping stations, and a treatment plant with reuse water treatment. The aim is to provide adequate wastewater treatment and would be co-financed by the state.

The project includes the construction of a wastewater treatment plant (PTAR) for wastewater produced in the towns of Huancayo, El Tambo, Chilca, Huancán, Huayucachi, Huacrapuquio and Viques. It also includes the construction of approximately 34 kilometers of primary and secondary collectors that will intercept the current discharges into the Mantaro, Chilca and Ancalá rivers. Chilca and Ancalá; the same ones that will lead the wastewater to the WWTP. Including 8 wastewater pumping stations (EBAR) and their respective impulsion lines.

- Click [here](#) for more information.
- The project is expected to be awarded in July 2024.

WASTEWATER TREATMENT FOR CHINCHA

INVESTMENT AMOUNT: \$69.9MM

The project, a private initiative, includes the design, financing, construction, operation, and maintenance of new sanitation infrastructure. It includes the construction of three new wastewater treatment plants to treat all of the city's wastewater.

- Click [here](#) for more information.
- The project is expected to be awarded in the second semester of 2024.

A black and white photograph of a wastewater treatment facility, showing multiple rows of large, curved concrete structures that create a series of cascades or channels for water flow. The scene is industrial and somewhat abstract due to the repetitive, curved forms.

MATURE SANITATION PROJECTS

WASTEWATER TREATMENT FOR CUSCO

INVESTMENT AMOUNT: US\$44.3MM

This project is a co-financed private initiative, which proposes to invest in the expansion of existing infrastructure, such as the primary conduction capacity (interceptor) and the San Jerónimo wastewater treatment plant.

- Click [here](#) for more information.
- The project is expected to be awarded in the second semester of 2024.

MATURE TRANSPORTATION PROJECTS

NEW PORT TERMINAL OF SAN JUAN DE MARCONA

INVESTMENT AMOUNT: US\$404.80MM

The project, a private initiative, consists of the design, financing, construction, operation and maintenance of a new port for public use, specialized in the storage and shipment of iron and copper concentrates and mining production inputs.

- Click [here](#) for more information.
- The project is expected to be awarded in the second semester of 2024.

PERIPHERAL RING ROAD

INVESTMENT AMOUNT: US\$2380.34MM

The project, consists of the implementation of a 33.2 km highway linking the eastern part of Lima and the port of Callao. The project would have a high impact on cargo transportation and vehicular traffic, and would be co-financed by the State.

- Click [here](#) for more information.
- The project is expected to be awarded in the second semester of 2024.

MATURE EDUCATION PROJECTS

INTERVENTION OF AT-RISK SCHOOLS IN ATE AND SAN JUAN DE LURIGANCHO

INVESTMENT AMOUNT: US\$139.58MM

The project consists of the construction, provision of equipment, complementary services and maintenance of infrastructure, furniture and equipment of 13 schools. The project would be co-financed by the State.

- Click [here](#) for more information
- The bidding process has not yet been called.

CONSTRUCTION AND PROVISION OF EQUIPMENT OF 13 SCHOOLS IN VILLA EL SALVADOR AND SAN JUAN DE MIRAFLORES (LIMA)

INVESTMENT AMOUNT: US\$254.73MM

The project consists of the construction, provision of equipment, operation of complementary services and maintenance of infrastructure, furniture and equipment of 13 educational institutions. The project would be co-financed by the State.

- Click [here](#) for more information
- The project is expected to be awarded in the third trimester of 2024.

MATURE EDUCATION PROJECTS

CONSTRUCTION AND PROVISION OF EQUIPMENT OF 5 SCHOOLS IN VILLA MARIA DEL TRIUNFO (LIMA)

INVESTMENT AMOUNT: US\$69.77MM

The project consists of the construction, provision of equipment, operation of complementary services and maintenance of infrastructure, furniture and equipment of 5 schools. The project will be co-financed by the State.

- Click [here](#) for more information.
- The project is expected to be awarded in the first semester of 2025.

REINFORCEMENT OF INFRASTRUCTURE, PROVISION OF EQUIPMENT AND MAINTENANCE OF SCHOOLS IN CUSCO

INVESTMENT AMOUNT: US\$59.26MM

The project consists of the construction, maintenance and operation of complementary services for the following schools: I.E. Comercio 41, I.E. Uriel García and I.E. N° 50038 Alejandro Velasco Astete.

- Click [here](#) for more information.
- The project is expected to be awarded in the first semester of 2025.

An aerial photograph of a coastal city, likely Lima, Peru, showing a mix of modern high-rise buildings and older structures. A prominent red banner with white text is overlaid on the image. The banner reads "MATURE TOURISM PROJECTS". The background shows a coastline with waves breaking on a sandy beach, and a road with cars leading towards the water.

MATURE TOURISM PROJECTS

CONSTRUCTION OF CHOQUEQUIRAO ARCHEOLOGICAL PARK

INVESTMENT AMOUNT: US\$220.94MM

The project consists of the design, financing, construction, provision of equipment, operation and maintenance of the Cable Car for the Choquequirao Archeological Park.

- Click [here](#) for more information
- The project is expected to be awarded in the first semester of 2025.

3

PROJECTS UNDER EVALUATION

- The project is expected to be awarded in the fourth trimester of 2024.

ENERGY PROJECTS UNDER EVALUATION

TRANSMISSION PROJECTS

INVESTMENT AMOUNT: US\$100.86MM

220 kV Aguaytía – Pucallpa link, Substations, Lines And Associated Expansions (ITC Project), Reliability Increase of the 138-60 kV Tarma - Chanchamayo Electric System, and Capacity and Reliability Increase of the Huaraz Electric System (ITC Project).

- Click [here](#) for more information.
- The Project is expected to be awarded in the fourth trimester of 2024.

TRANSMISSION PROJECTS

INVESTMENT AMOUNT: TO BE DEFINED

138 kV Nueva Virú - Trujillo Sur link, expansions and associated substations (ITC Project), 138 kV Yaros – Amarilis link (second circuit) (ITC Project) and 138 kV San Román – Yocara – Maravilla (Juliaca) link, expansions and associated substations (ITC Project).

- Click [here](#) for more information.
- The bidding process has not yet been called.

HYDROCARBON PROJECTS UNDER EVALUATION

INTEGRATED GAS TRANSPORTATION SYSTEM IN SOUTHERN PERU (SITGAS)

INVESTMENT AMOUNT: US\$4320.8MM

The project consists of the development of a pipeline system to transport natural gas to the south of the country, specifically to the regions of Cusco, Arequipa and Moquegua. In addition, it will supply the energy node formed by the Mollendo thermal power plants.

- Click [here](#) for more information.
- The bidding process has not yet been called.

NATURAL GAS DISTRIBUTION BY DUCT NETWORK THE AREQUIPA, MOQUEGA AND TACNA REGIONS

INVESTMENT AMOUNT: TO BE DEFINED

The project has three components: 1) Natural liquified gas supply and ground transportation, 2) District stations and 3) Natural gas distribution system up to the users.

- Clic [here](#) for more information.
- The bidding process has not yet been called.

SANITATION PROJECTS UNDER EVALUATION

WASTEWATER TREATMENT FOR TRUJILLO

INVESTMENT AMOUNT: US\$311.6MM

The project includes the design, financing, construction, operation, and maintenance of sanitary infrastructure. Three wastewater treatment plants will be built to serve the city of Trujillo.

- Click [here](#) for more information
- The project is expected to be awarded in the second half of 2024.

WASTEWATER TREATMENT FOR CAÑETE

INVESTMENT AMOUNT: US\$32.5MM

The project comprises the design, financing, construction, operation and maintenance of sanitation infrastructure to treat the city of Cañete, south of Lima.

- Click [here](#) for more information
- The project is expected to be awarded in the first semester of 2025.

WASTEWATER TREATMENT PLANT FOR TARAPOTO

INVESTMENT AMOUNT: US\$105.2MM

The project includes the design, financing, construction, operation and maintenance of sanitary infrastructure, as well as the construction of a new wastewater treatment plant for Tarapoto.

- Click [here](#) for more information
- The project is expected to be awarded in the second semester of 2024.

SANITATION PROJECTS UNDER EVALUATION

DESALINATION PLANTS FOR ILO

INVESTMENT AMOUNT: US\$106.22MM

The project would consist of the implementation of a seawater desalination plant to supply the city of Ilo, located in the Moquegua region. It would consist of the desalination of seawater for drinking water service and the improvement of the surface water production system.

- Click [here](#) for more information.
- The project is expected to be awarded in the third trimester of 2024.

DESALINATION PLANT IN LAMBAYEQUE

INVESTMENT AMOUNT: US\$48.9MM

The project would consist of the implementation of a seawater desalination plant to supply the province of Lambayeque.

- Click [here](#) for more information.
- The bidding process has not yet been called.

SEAWATER DESALINATION IN URBAN AREAS OF PAITA AND TALARA, AND WASTEWATER TREATMENT SERVICE AND COMPLEMENTARY INFRASTRUCTURE IN THE URBAN AREA OF TALARA

INVESTMENT AMOUNT: US\$150MM

The project consists of the improvement and expansion of drinking water services through seawater desalination in the urban area of the provinces of Paita (towns in seven districts) and Talara (towns in six districts) and wastewater treatment in the urban area of the province of Talara.

- Click [here](#) for more information.
- The bidding process has not yet been called.

SANITATION PROJECTS UNDER EVALUATION

RURAL SANITATION IN THE LORETO REGION

INVESTMENT AMOUNT: US\$26.19MM

The project would consist of implementing potable water and sanitation services in rural areas of Loreto.

- Click [here](#) for more information.
- The bidding process has not yet been called.

DRINKING WATER SERVICES IN CAJAMARCA

INVESTMENT AMOUNT: TO BE DEFINED

The project contemplates the improvement of drinking water supply system in Cajamarca.

- Clic [here](#) for more information
- The bidding process has not yet been called.

SANITATION SERVICES IN THE URBAN AREA OF HUAURA AND BARRANCA

INVESTMENT AMOUNT: TO BE DEFINED

The Project contemplates the improvement of the sanitary sewer and the residual water treatment system in the urban area of Huaura and Barranca, Lima.

- Click [here](#) for more information
- The bidding process has not yet been called.

SANITATION SERVICES IN IQUITOS, LORETO

INVESTMENT AMOUNT: TO BE DEFINED

The Project contemplates the improvement residual water treatment system in the urban area of Maynas, Loreto.

- Click [here](#) for more information
- The bidding process has not yet been called.

SANITATION PROJECTS UNDER EVALUATION

SANITATION SERVICES IN SAN IGNACIO, CAJAMARCA

INVESTMENT AMOUNT: TO BE DEFINED

The Project contemplates the improvement of the residual water treatment system in the San Ignacio, Cajamarca.

- Click [here](#) for more information
- The bidding process has not yet been called.

SANITATION SERVICES IN CHANCHAMAYO AND CONCEPCIÓN, JUNÍN

INVESTMENT AMOUNT: TO BE DEFINED

The Project contemplates the improvement of the residual water treatment system in Chachamayo and Concepción, Junín.

- Click [here](#) for more information
- The bidding process has not yet been called.

SANITATION SERVICES IN TUMBES AND CONTRALMIRANTE VILLAR

INVESTMENT AMOUNT: TO BE DEFINED

The Project contemplates the enlargement and improvement of the drinking water supply system to human consume, improvement of the sanitary sewer system and the creation of the residual water treatment system in Tumbes, San Juan de la Virgen, Pampas del Hospital, Corrales, San Jacinto, and the districts of Zorritos, Casitas and Canoas of Punta Sal, Tumbes.

- Click [here](#) for more information
- The bidding process has not yet been called.

TRANSPORTATION PROJECTS UNDER EVALUATION

CHIMBOTE INTERNATIONAL TERMINAL

INVESTMENT AMOUNT: US\$172.16MM

Design, financing, execution of investments, conservation, operation and transfer of the assets included as part of the project for the new multipurpose port terminal at the Port of Chimbote.

- Click [here](#) for more information.
- The bidding process has not yet been called.

WORKS FOR TAXES

WORKS FOR TAXES

The project portfolio includes more than 1300 projects at the national level and from sub-national entities (regional and local governments), to be executed through the "works for taxes" mechanism.

The projects to be executed under the "works for taxes" mechanism may include environmental, cultural, communications, sports, education, irrigation, health and sanitation, among others.
