Ongoing Projects

Ongoing Projects in Energy

NEW PALCA SUBSTATION 220 KV, LT 220 KV PALCA-LA PASCANA, EXPANSIONS AND ASSOCIATED SUBSTATIONS (AREQUIPA) (ITC PROJECT)", "220 KV PLANICIE – INDUSTRIALES LINK, EXPANSIONS THIRD CIRCUIT (ITC PROJECT)", "138 KV ABANCAY NUEVA – ANDAHUAYLAS LINK, EXPANSIONS AND ASSOCIATED SUBSTATIONS (ITC PROJECT)", AND "138 KV DERIVACIÓN SAN RAFAEL – ANANEA LINK, EXPANSIONS AND ASSOCIATED SUBSTATIONS (ITC PROJECT)"

INVESTMENT AMOUNT: US\$ 167.90 million

[Click here for more information](#)

- The project is expected to be awarded during the third quarter of 2025.

Ongoing Projects in Real Estate

ANCÓN INDUSTRIAL PARK

INVESTMENT AMOUNT: US\$ 1214.26 million

The AIP project consists of the creation of a new and modern industrial development pole aimed at promoting the installation of industrial companies of diverse scale, that operate under international standards, promoting efficient interaction and collaboration between different levels of productive links, and constitute leading ventures in innovation, modernity, technology, sustainability and development.

[Click here for more information.](#)

- The project is expected to be awarded during the third quarter of 2025.

OPERATION AND MAINTENANCE OF THE LIMA CONVENTION CENTER

INVESTMENT AMOUNT: US\$ 86.06 million approx.

Operation, exploitation, conservation and integral maintenance of the Lima Convention Center, through an operation and maintenance agreement for fifteen years.

[Click here for more information.](#)

- The project is expected to be awarded during the fourth quarter of 2025.

INTEGRAL HOUSING PROGRAM OF SANTA MARÍA

INVESTMENT AMOUNT: US\$ 25.56 million

The project contained in the private initiative includes the execution of 1,101 housing units under the MIVIVIENDA program. It will be developed on State-owned land located at KM.42 of the Panamericana Norte, between Ancon and Santa Rosa, on an area of 108,278.22 m2.

[Click here for more information.](#)

- Award date to be defined. If third parties express interest, the project will be awarded through a public tender.

Ongoing Projects in Health

VILLA EL SALVADOR EMERGENCY HOSPITAL

INVESTMENT AMOUNT: US\$ 284.15 million

The project, a state initiative, consists of the following services to be concessioned: a) Maintenance of the building, facilities and electromechanical equipment associated with the infrastructure, b) Maintenance of clinical and non-clinical equipment, c) Operation and maintenance of general services: food, laundry, cleaning and biosecurity, integral security.

[Click here for more information](#)

- The project is expected to be awarded during the third quarter of 2025.

MANAGEMENT OF THE NATIONAL INSTITUTE OF CHILDREN'S HEALTH - SAN BORJA

INVESTMENT AMOUNT: S/. 1043.12 million

This project consists of the provision of non-medical services (general) and two diagnostic support services (laboratory and sterilization). The PPP is for a 17-year period.

[Click here for more information.](#)

- The project is expected to be awarded during the first quarter of 2026.

Ongoing Projects in Sanitation

IMPROVEMENT OF THE SEWERAGE AND WASTEWATER TREATMENT SYSTEM
IN THE CITY OF PUERTO MALDONADO-DISTRICT OF TAMBOPATA, PROVINCE
OF TAMBOPATA, DEPARTMENT OF MADRE DE DIOS

INVESTMENT AMOUNT: US\$ 121.92 million

The project consists of the design, financing, construction, rehabilitation, expansion, operation and maintenance of the municipal wastewater collection, treatment and disposal systems in the city of Puerto Maldonado. It includes the construction of 1 WWTP with an average daily flow (Qpd) of 400 L/s, as well as monitoring and control of the VMA.

[Click here for more information.](#)

- The project is expected to be awarded during the third quarter of 2025.

Ongoing Projects in Transportation

“LONGITUDINAL DE LA SIERRA” HIGHWAY, SECTION 4

INVESTMENT AMOUNT: US\$ 1582 million

The Longitudinal de la Sierra Section 4 Project consists of the design, financing, construction, operation and maintenance of 965.2 km of highways. The investment consists of 3 types of intervention: i) 5.20 km of Construction (C) of the new San Clemente Bypass, ii) 179.30 km of Rehabilitation and Improvement (RM) of the existing Huancayo-Izcuchaca and Izcuchaca-Mayocc subsections, iii) 780.70 km of Initial Periodic Maintenance (IPM) of the existing Mayocc-Ayacucho-Andahuaylas-Puente Sahuinto and Ayacucho-Huaytará-Div.Pisco subsections. The Operation and Maintenance will include Routine Maintenance (RM), Periodic Maintenance (PM) and Operation (O) of tolls, weighing and mandatory services to ensure trafficability, meeting service levels and timely addressing any road emergency that may occur during the Concession period.

- The project is expected to be awarded during the second quarter of 2026.

Mature Sanitation Projects

WASTEWATER TREATMENT FOR FINAL DISPOSAL OR REUSE, CITY OF CAJAMARCA, CAJAMARCA, PERU

INVESTMENT AMOUNT: US\$ 73.52 million

The project consists of a co-financed private initiative in the concession modality for a period of 26 years. It includes the design, financing, construction, operation and maintenance of a main wastewater collection system for the city of Cajamarca. This system will also include the necessary infrastructure for the treatment and final disposal of an estimated average flow of 0.6 m³/s. The main objective of the project is to ensure adequate treatment of the wastewater generated in the city.

[Click here](#) for more information.

- The project is expected to be awarded during the fourth quarter of 2025.

HEADWORKS AND PIPING WORKS FOR THE DRINKING WATER SUPPLY FOR LIMA

INVESTMENT AMOUNT: \$ 475.98 million

The Project consists in the design, financing, construction, operation and maintenance of works for expansion and improvement of the drinking water service in Lima. The project is divided in two phases:

Phase 1: Design, financing, construction and maintenance of: (i) Huachipa Plant II to produce 5 m³/s (in 2 stages of 2.5 m³/s) including the main reservoir with a total vol. of 1600 000 m³; (ii) 25 km long South Branch pipeline including 2 tunnels (total 7 km); (iii) Compensation reservoirs (5 units) with a total vol. of 69 000 m³/s; (iv) Interconnection Lines with an approximate length of 65 km; (v) Huachipa intake to capture a flow of 12 m³/s of water from the Rimac River; (vi) Huachipa I Plant to produce a maximum flow of 5 m³/s of drinking water.

Phase 2: (i) Improvement of the Pomacocha and Huallacocha Bajo dams for 38 MMC; (II) 10 km long Trasandino tunnel from Pomacocha to Río Blanco.

[Click here](#) for more information

- The project is expected to be awarded during the fourth quarter of 2025.

Mature Sanitation Projects

WASTEWATER TREATMENT FOR FINAL DISPOSAL OR REUSE, CUSCO PROVINCE

INVESTMENT AMOUNT: US\$ 51.6 million

The project contained in the co-financed private initiative, takes the form of a 23-year concession, and proposes making investments to expand the primary conduction capacity (interceptor) and wastewater treatment (San Jerónimo WWTP) of the existing infrastructure.

[Click here for more information.](#)

- The project is expected to be awarded during the second quarter of 2026.

EXPANSION AND IMPROVEMENT OF WASTEWATER COLLECTION, TREATMENT, AND DISPOSAL SERVICES IN THE TOWNS OF HUANCAYO, EL TAMBO, CHILCA, HUAYUCACHI, HUANCÁN, HUACRAPUQUIO, AND VIQUES, PROVINCE OF HUANCAYO, JUNÍN REGION

INVESTMENT AMOUNT: US\$ 172 million

The project involves the construction of a wastewater treatment plant (WWTP) to process the wastewater generated in the towns of Huancayo, El Tambo, Chilca, Huancán, Huayucachi, Huacrapuquio, and Viques. It also includes the construction of approximately 34 kilometers of primary and secondary sewers that will intercept the current discharges into the Mantaro, Chilca, and Ancalá rivers, channeling the wastewater to the WWTP. Additionally, 8 wastewater pumping stations (WWPS) and their respective pressure pipelines will be built..

[Click here for more information.](#)

- The project is expected to be awarded during the second quarter of 2026.

Mature Sanitation Projects

POTABLE WATER SERVICE THROUGH SEAWATER DESALINATION IN THE URBAN AREA OF ILO, MOQUEGUA, PERU

INVESTMENT AMOUNT: US\$ 110 million

The "Desalination Ilo" project aims to enhance the quality of life for urban residents in the El Algarrobal, Pacocha, and Ilo districts of the Ilo province in the Moquegua region. By desalinating seawater, the project will provide access to potable water and improve the surface water production system.

[Click here for more information.](#)

- The project is expected to be awarded during the first quarter of 2026.

PROJECT FOR WASTEWATER TREATMENT PLANTS IN THE CITIES OF TARAPOTO AND SAN JOSÉ DE SISA - SAN MARTÍN REGION

INVESTMENT AMOUNT: US\$ 143.11 million

The project is a co-financed private initiative for a 24-year concession that covers the design, financing, construction, operation, and maintenance of interceptors, pumping stations, wastewater treatment plants, and a discharge outfall for the cities of Tarapoto and San José de Sisa.

[Click here for more information.](#)

- The project is expected to be awarded during the first quarter of 2026.

Mature Sanitation Projects

WASTEWATER TREATMENT FOR FINAL DISPOSAL OR REUSE, TRUJILLO AND CHEPÉN PROVINCES, LA LIBERTAD, PERU

INVESTMENT AMOUNT: US\$ 425.08 million

The project outlined in this co-financed private initiative is a 25-year concession that includes the design, financing, construction, operation, and maintenance of primary sewer collectors, wastewater pumping stations, force mains, sewer emitters, wastewater treatment plants, and discharge outlets for the cities of Trujillo and Chepén in the La Libertad region.

[Click here for more information.](#)

- The project is expected to be awarded in the second quarter of 2026.

Mature Education Projects

CONSTRUCTION OF NEW EDUCATIONAL INFRASTRUCTURE FOR AT-RISK SCHOOLS IN METROPOLITAN LIMA

INVESTMENT AMOUNT: US\$ 301.50 million

This project includes the replacement of educational infrastructure, the provision of equipment, as well as the maintenance of 13 public schools in the districts of Villa El Salvador and San Juan de Miraflores.

[Click here for more information](#)

- The project is expected to be awarded during the second quarter of 2026.

INTERVENTION OF AT-RISK SCHOOLS IN COMAS AND SAN MARTÍN DE PORRES

INVESTMENT AMOUNT: US\$ 90.56 million

The project consists of the construction, provision of equipment, complementary services and maintenance of infrastructure, furniture and equipment of 9 schools in Comas and San Martin.

[Click here for more information](#)

- The project is expected to be awarded during the fourth quarter of 2026.

Mature Education Projects

REINFORCEMENT OF INFRASTRUCTURE, PROVISION OF EQUIPMENT AND MAINTENANCE OF SCHOOLS IN CUSCO

INVESTMENT AMOUNT: US\$ 59 million

This project consists of the replacement of the educational infrastructure, equipment, as well as the maintenance of 3 public schools in the districts of Cusco, Wanchaq and San Jerónimo

[Click here for more information.](#)

- The project is expected to be awarded in the fourth quarter of 2026.

INTERVENTION OF AT-RISK SCHOOLS IDENTIFIED BY THE MINISTRY OF EDUCATION IN ATE AND SAN JUAN DE LURIGANCHO

INVESTMENT AMOUNT: US\$ 139 million

The project consists of the replacement of educational infrastructure, equipment, as well as the maintenance of 14 public schools in the Ate and San Juan de Lurigancho districts.

[Click here for more information.](#)

- The project is expected to be awarded during the fourth quarter of 2026.

Mature Education Projects

CONSTRUCTION, IMPLEMENTATION, MAINTENANCE AND OPERATION OF
COMPLEMENTARY SERVICES OF PUBLIC EDUCATIONAL CENTERS IN VILLA
MARÍA DEL TRIUNFO FROM UGEL 01 LOCATED ON LAND OWNED BY THE

[Click here for more information.](#)

- The project is expected to be awarded during the fourth quarter of 2026.

Mature Transportation Projects

CHIMBOTE INTERNATIONAL TERMINAL

MONTO DE INVERSIÓN: US\$ 262.14 million

Design, financing, execution of investments, conservation, exploitation and transference of and transfer of the assets included as part of the new multipurpose port terminal project at the Port of Chimbote.

[Click here for more information.](#)

- The project is expected to be awarded in the fourth quarter of 2025.

Projects Under Evaluation

Health Projects Under Evaluation

OPERATION AND MAINTENANCE OF THE CAJAMARCA SPECIALIZED HOSPITAL, DISTRICT OF CAJAMARCA, PROVINCE OF CAJAMARCA, DEPARTMENT OF CAJAMARCA

INVESTMENT AMOUNT: To be defined

The project will guarantee the maintenance of the infrastructure and equipment, as well as the operation of the cleaning, security, laundry and linen, food, solid waste management, logistics, information technology and sterilization services and the laboratory, hemodialysis and imaging services.

[Click here for more information.](#)

- The project is expected to be awarded during the fourth quarter of 2026.

HIPÓLITO UNANUE NATIONAL HOSPITAL (LIMA)

INVESTMENT AMOUNT: To be defined

The project, a private initiative, consists of improving the health services provided at the Hipólito Unanue National Hospital, located in El Agustino (Lima). This involves the construction, provision of equipment and maintenance of a new hospital, as well as the maintenance and operation of other general services. The project will be co-financed by the State.

[Click here for more information.](#)

- The project is expected to be awarded during the third quarter of 2026.

Health Projects Under Evaluation

IMPROVEMENT AND EXPANSION OF HEALTH SERVICES AT THE LAMBAYEQUE REGIONAL HOSPITAL (LEVEL III-I)

INVESTMENT AMOUNT: US\$ 137.03 million

The project consists of the improvement and expansion of the specialised diagnostic areas, such as the clinical laboratory, nuclear medicine, blood bank and pathological anatomy, providing continuous 24-hour care. In addition, highly complex specialties such as oncology, maternal and child medicine, emergencies and critical care will be strengthened with the incorporation of new areas specially designed for a third level health centre.

[Click here for more information.](#)

- The bidding process has not yet been called.

LAMBAYEQUE HIGH COMPLEXITY HOSPITAL

INVESTMENT AMOUNT: US\$ 242.16 million

The project consists of the construction and equipping of a modern, highly complex Macroregional Hospital, as well as staff training, with the aim of benefiting the population of the Lambayeque region. This new facility will offer a wide range of services, including outpatient care, procedure and operating rooms, emergency care, obstetric care, diagnostic imaging, blood bank, intensive care units, pharmacy, rehabilitation, nutrition, haemodialysis, dialysis, chemotherapy, among others.

[Click here for more information.](#)

- The bidding process has not yet been called.

Energy Projects Under Evaluation

TRANSMISSION PROJECTS COMMISSIONED TO PROINVERSIÓN

INVESTMENT AMOUNT: To be defined

Projects: “138 kV Nueva Virú - Trujillo Sur link, expansions and associated substations (ITC Project)”, “138 kV Yaros – Amarilis link (second circuit) (ITC Project)” and “138 kV San Román – Yocara – Maravilla (Juliaca) link, expansions and associated substations (ITC Project)”.

[Click here for more information.](#)

- The bidding process has not yet been called.

Hydrocarbon Projects Under Evaluation

INTEGRATED GAS TRANSPORTATION SYSTEM IN SOUTHERN PERU (SITGAS)

INVESTMENT AMOUNT: US\$ 4320 million

The project consists of the development of a pipeline system to transport natural gas to the south of the country, specifically to the regions of Cusco, Arequipa and Moquegua. In addition, it will supply the energy node formed by the Mollendo and Ilo thermal power plants.

[Click here for more information.](#)

- The project is expected to be awarded during the fourth quarter of 2027.

NATURAL GAS DISTRIBUTION BY DUCT NETWORK THE AREQUIPA, MOQUEGA AND TACNA REGIONS

INVESTMENT AMOUNT: To be defined

The project has three components: 1) Natural liquified gas supply and ground transportation, 2) District stations (regasification of GNL) and 3) NG Distribution System up (costruction, operation and maintenance of the Distribution Networks (pipelines) of NG up to the users in those cities.

[Clic here for more information.](#)

- The project is expected to be awarded during the fourth quarter of 2026.

Sanitation Projects Under Evaluation

WASTEWATER TREATMENT FOR CAÑETE

INVESTMENT AMOUNT: US\$ 143.86 million

The project, of private initiative, comprises the design, financing, construction, operation and maintenance of sanitation infrastructure to treat the wastewater of the following districts: Cerro Azul, Asia, Quilmaná, San Antonio, Mala, San Luis, and others.

[Click here for more information.](#)

- The project is expected to be awarded during the second semester of 2026.

DESALINATION PLANT IN LAMBAYEQUE

INVESTMENT AMOUNT: US\$ 49 million

The project will consist of the construction, operation and maintenance of a seawater desalination plant to supply potable water to the urban area of the province of Lambayeque, in northern Peru.

[Click here for more information.](#)

- The project is expected to be awarded during the second quarter of 2027.

Sanitation Projects Under Evaluation

SEAWATER DESALINATION IN URBAN AREAS OF PAITA AND TALARA, AND WASTEWATER TREATMENT SERVICE AND COMPLEMENTARY INFRASTRUCTURE IN THE URBAN AREA OF TALARA

INVESTMENT AMOUNT: US\$ 150 million

The project consists of the improvement and expansion of potable water services through seawater desalination in the urban area of the provinces of Paita (towns in seven districts) and Talara (towns in six districts) and wastewater treatment in the urban area of the province of Talara.

[Click here for more information.](#)

- The project is expected to be awarded during the fourth quarter of 2027.

SANITATION SERVICES IN IQUITOS, LORETO

INVESTMENT AMOUNT: US\$ 108 million

The project contemplates the expansión and improvement of the sanitation sewage system and the wastewater treatment in the urban area in the province of Maynas, department of Loreto.

[Click here for more information.](#)

- The project is expected to be awarded during the fourth quarter of 2027.

Sanitation Projects Under Evaluation

RURAL SANITATION IN THE LORETO REGION

INVESTMENT AMOUNT: US\$ 89 million

The project would consist of implementing potable water and sanitation services in rural areas of Loreto.

[Click here for more information.](#)

- The project is expected to be awarded in the fourth quarter of 2026.

DRINKING WATER SERVICES IN CAJAMARCA

INVESTMENT AMOUNT: US\$ 180 million

The project contemplates the expansión and improvement of the potable water supply system in Cajamarca.

[Clic here for more information](#)

- The project is expected to be awarded during the fourth quarter of 2027.

Sanitation Projects Under Evaluation

SANITATION SERVICES IN THE URBAN AREA OF HUAURA AND BARRANCA

INVESTMENT AMOUNT: US\$ 50 million

The project contemplates the expansión and improvement of the sanitation sewage system and the wastewater treatment in the urban area in the provinces of Huaura and Barranca, department of Lima.

[Click here for more information](#)

- The project is expected to be awarded during the fourth quarter of 2027.

SANITATION SERVICES IN SAN IGNACIO, CAJAMARCA

INVESTMENT AMOUNT: US\$ 25 million

The project contemplates the improvement of the residual water treatment system in the San Ignacio, Cajamarca.

[Click here for more information](#)

- The project is expected to be awarded during the fourth quarter of 2027.

Sanitation Projects Under Evaluation

SANITATION SERVICES IN CHANCHAMAYO AND CONCEPCIÓN, JUNÍN

INVESTMENT AMOUNT: US\$ 122 million

The project contemplates the improvement of the residual water treatment system in Chachamayo and Concepción, Junín.

[Click here for more information](#)

- The project is expected to be awarded during the fourth quarter of 2026.

SANITATION SERVICES IN TUMBES AND CONTRALMIRANTE VILLAR

INVESTMENT AMOUNT: US\$ 80 million

The project contemplates the improvement of the drinking water supply system to human consume, improvement of the sanitary sewer system and the creation of the residual water treatment system in Tumbes, San Juan de la Virgen, Pampas del Hospital, Corrales, San Jacinto, and the districts of Zorritos, Casitas and Canoas of Punta Sal, Tumbes.

[Click here for more information](#)

- The project is expected to be awarded during the fourth quarter of 2026.

Sanitation Projects Under Evaluation

CREATION OF THE DRINKING WATER TREATMENT PLANT FOR 4 DISTRICTS IN THE PROVINCE OF TUMBES

INVESTMENT AMOUNT: US\$ 107.86 million

The project involves the expansion and improvement of the drinking water supply system (collection, piping and treatment) for human consumption in the districts of Tumbes, San Jacinto, San Juan de la Virgen and Pampas de Hospital in the province of Tumbes. Through the implementation of two surface catchment units and two drinking water treatment plants for the production of drinking water. While the implementation of pipelines, impulsion lines, elevated reservoirs and supported reservoirs for the conduction and storage of water.

[Click here for more information](#)

- The project is expected to be awarded during the fourth quarter of 2027.

Transportation Projects Under Evaluation

THIRD GROUP OF AIRPORTS

INVESTMENT AMOUNT: US\$ 216 million

The Project consists of the modernization, rehabilitation, improvement, operation and maintenance of the airports located in Jaén, Huánuco, Jauja, Ilo, Rioja, Chimbote, Yurimaguas and the operation and maintenance of the Chinchero International Airport located in Cusco.

[Clic here for more information.](#)

- The project is expected to be awarded during the fourth quarter of 2026.

Other Projects Under Evaluation

CHINECAS PROJECT

INVESTMENT AMOUNT: US\$ 2950 million

It consists of capturing part of the waters of the Santa River to improve, strengthen and expand the regulated water provision service for irrigation of the Chincas Project in the provinces of Santa, Casma and Huarmey in the department of Ancash. Likewise, it will serve to supply water for population use.

[Click here for more information.](#)

- The bidding process has not yet been called. The project is expected to be awarded during the fourth quarter of 2027.

PORT COMMUNITY SYSTEM

INVESTMENT AMOUNT: To be defined

The project consists of the installation, start-up and operation of a Port Community System in all Peruvian public ports other than Callao. The Port Community System will be responsible for managing, automating and optimizing logistics processes in Peru's regional port terminals.

[Click here for more information.](#)

- The bidding process has not yet been called.

Other Projects Under Evaluation

AUCTION OF AGRICULTURAL LANDS IN CHAVIMOCHIC

INVESTMENT AMOUNT: US\$ 100 million

A tender will be called for the acquisition of agricultural land, developed by the Chavimochic project in the northern region of La Libertad.

[Click here for more information.](#)

- The bidding process has not yet been called.

CONCESSION FOR THE PROVISION OF PUBLIC TELECOMMUNICATIONS SERVICES AND FOR ALLOCATING THE FREQUENCY RANGES 3,300 – 3,400 MHz, 3,600 – 3,800 MHz, AND 25.9 – 26.7 GHz AT THE NATIONAL LEVEL

INVESTMENT AMOUNT: US\$ 845 million

It consists in the allocation of radio electric spectrum in the 3,300-3,400, 3,600-3,800 MHz and 25.9-26.7 GHz bands for the provision of telecommunication services. It is expected that these band frequencies will be used to enhance the provision of telecommunication services in the country and be used for 5G technologies and Internet of Things applications.

[Click here for more information.](#)

- The bidding process has not yet been called.

Other Projects Under Evaluation

TECHNOLOGICAL MANAGEMENT AND MONITORING CENTER OF COMPLEMENTARY ENTITIES LINKED TO VEHICLES AND DRIVERS

INVESTMENT AMOUNT: To be defined

The Project seeks to improve the management and contribute to the supervision of the National System of Vehicle Technical Inspections (SNITV) and the National Driver's License Issuance System (SNELC), through the implementation and operation of a Technological Management and Monitoring Center in charge of a private technology operator.

[Click here for more information.](#)

- The bidding process has not yet been called.

AUCTION OF AGRICULTURAL LANDS IN MAJES-SIGUAS

INVESTMENT AMOUNT: US\$ 430 million

A tender will be called for the acquisition of agricultural land, developed by the Majes-Siguas Project in the southern region of Arequipa.

[Click here for more information.](#)

- The bidding process has not yet been called.

Work for Taxes

WORKS FOR TAXES

The project portfolio includes multiple projects at the national level and from sub-national entities (regional and local governments), to be executed through the "works for taxes" regime.

The projects to be executed under the "works for taxes" regime may include environmental, cultural, communications, sports, education, irrigation, health and sanitation, among others.
